

JAMAL THOMAS
GRAPHIC DESIGNER
www.jayteedesign.com

Personal Details

Given the opportunity I would prove my capabilities of vested employment within any agency. I enjoy working with people, as well as alone and I am always willing to learn new things. I am able to interpret clear briefs and can work on it from start to finish. I believe that loyalty and reliability is of vital importance as well as using one's own initiative. I work best under pressure and always meet my deadlines.
